

# PLAY MIX – Sphero

## Sphero Apps and Sites

### Apps

- Sphero – Basic app needed to use Sphero robot.
- SPRK Lightning Lab – Program your robot with a visual block-based building interface. Sign up for a free account to create, connect, and share programs. Made by Sphero.
- Sphero Color Grab – Multiplayer tabletop game involving timing and flashing lights.
- Sphero Draw 'n Drive – Use your finger to trace a path on the screen and watch Sphero follow it before your eyes.
- Sphero Exile – An arcade-style space fighter game.
- orbBasic for Sphero – Program your robot with this educational tool by Orbotix.
- Tickle – Comprehensive mobile programming app with a block-based interfaced similar to Scratch. Can be used to program multiple wireless robots, drones, Arduino, and smart toys, like Sphero, Dash & Dot, Lego WeDo, and connect them together.
