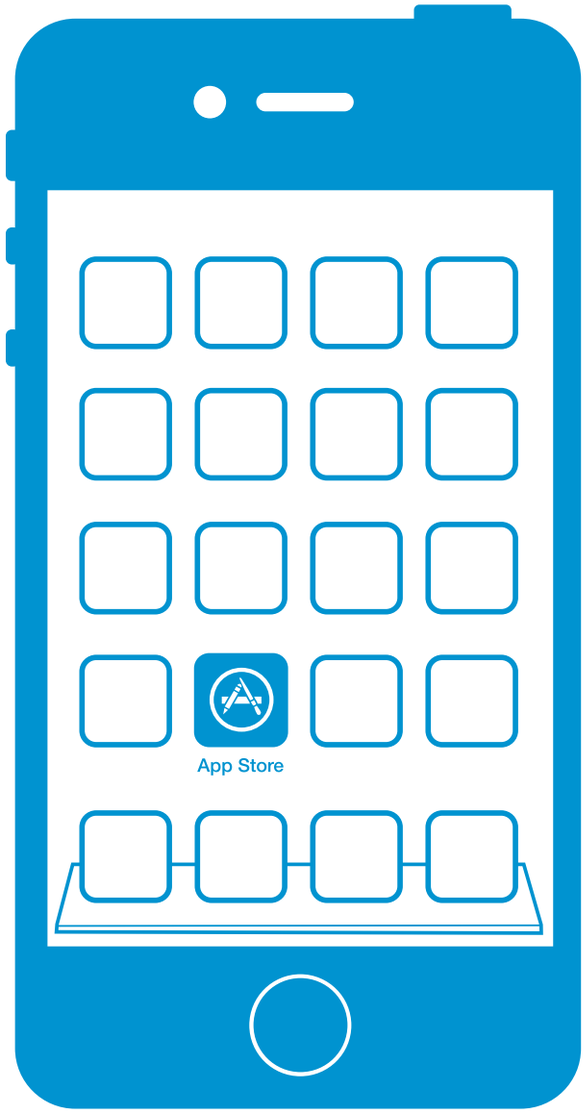
GET READY to PLAY

sphero

Quick Start Guide

Apple Device

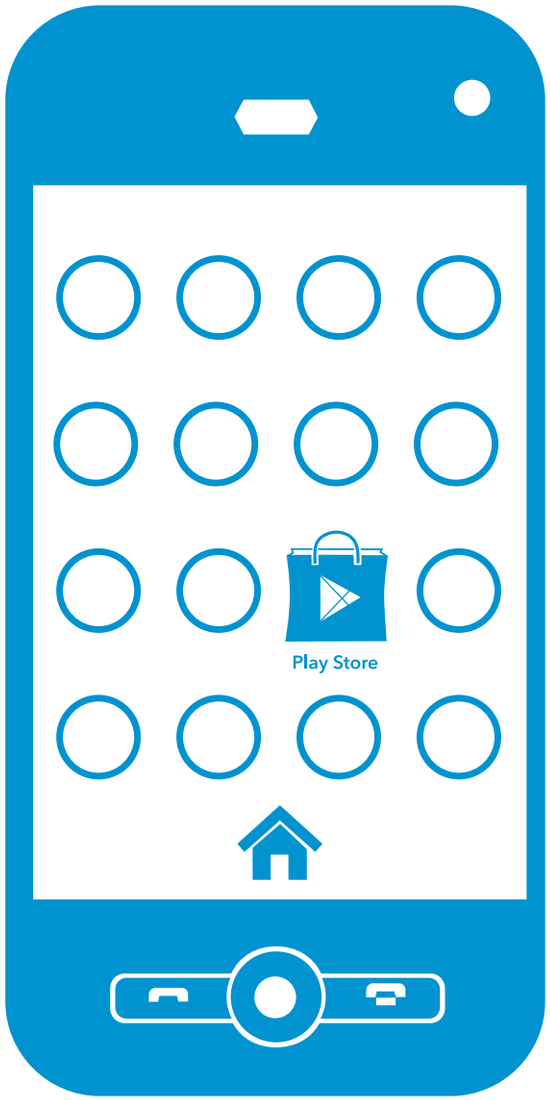
1 Download Sphero App.



Available on the App Store

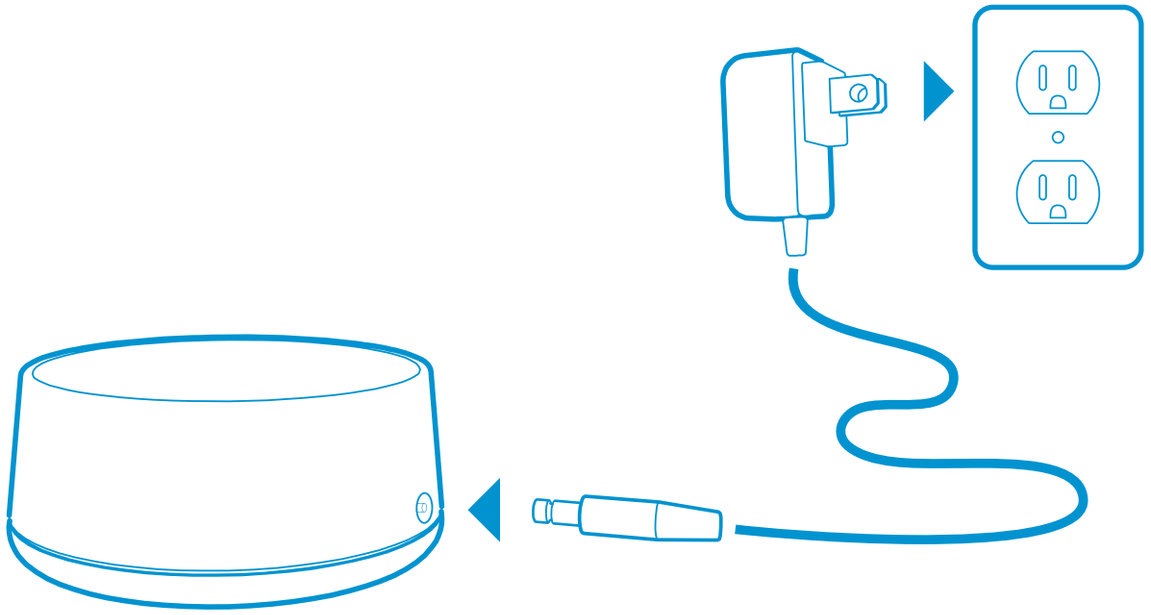
Android Device

1 Download Sphero App.

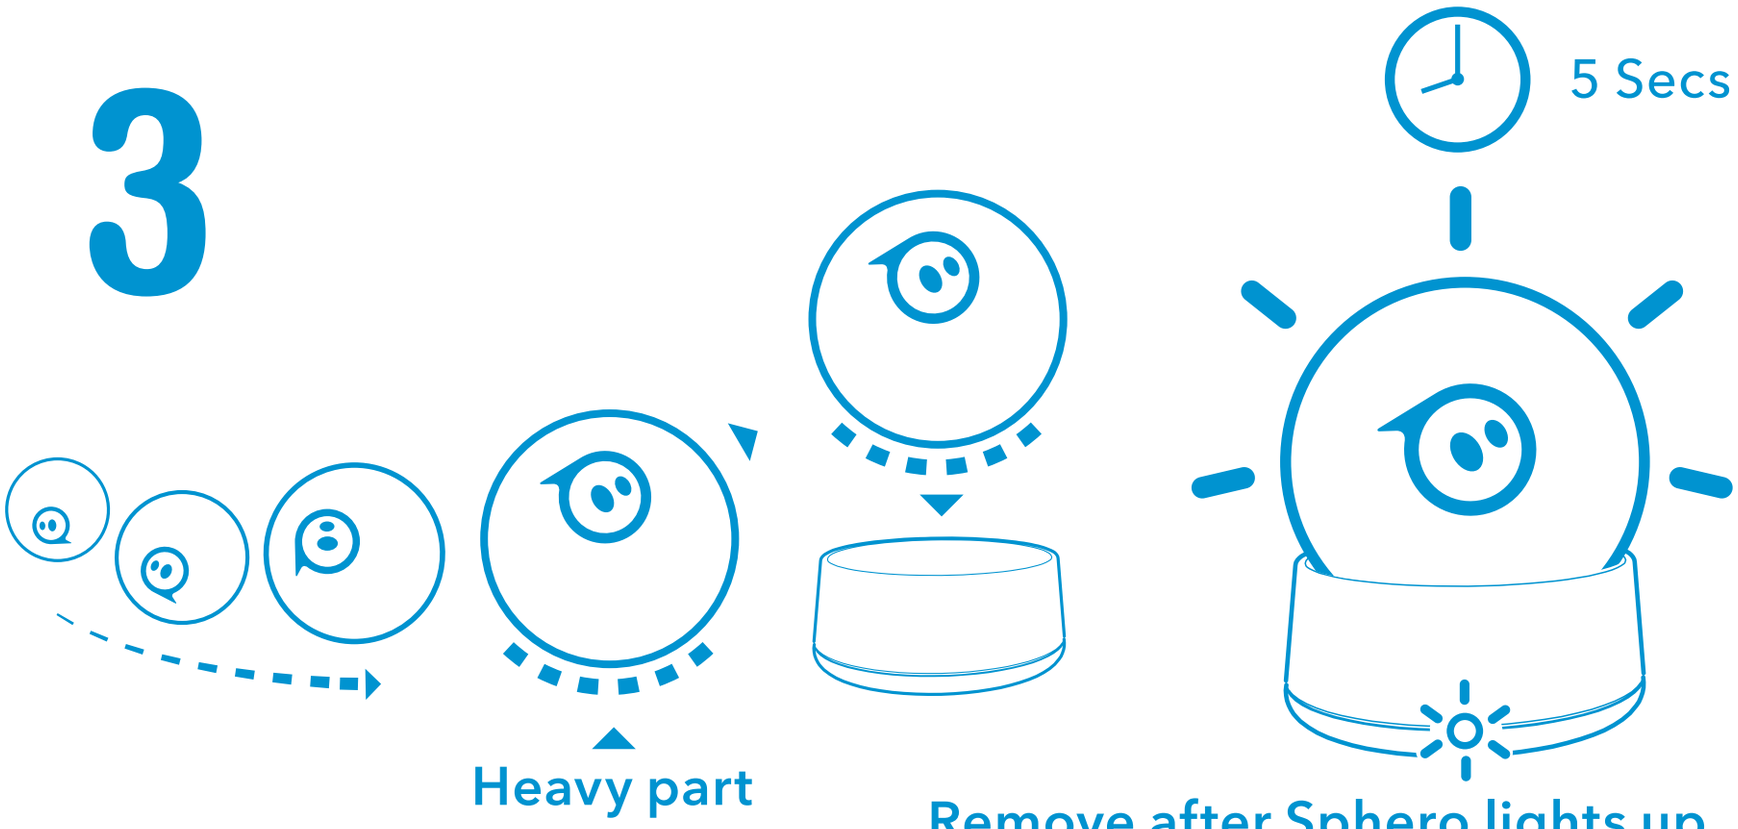


ANDROID APP ON Google play

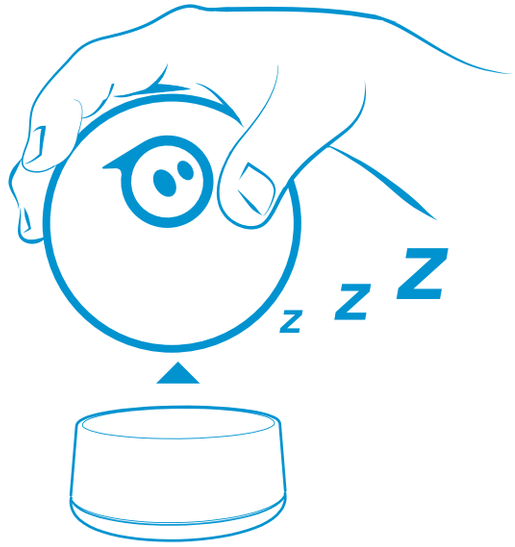
2



3

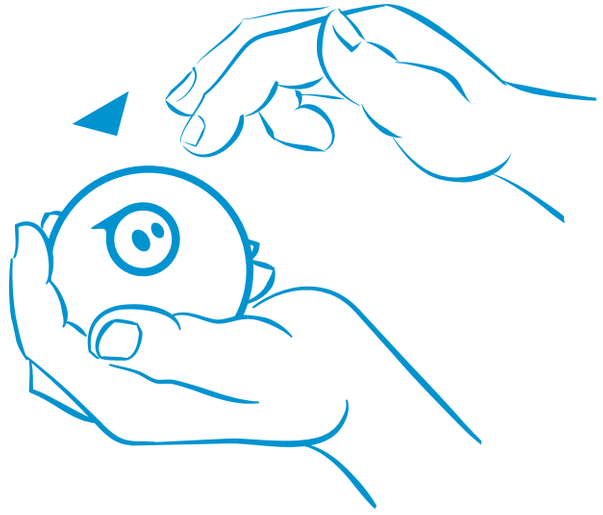


4



Out of the charger Sphero is asleep.

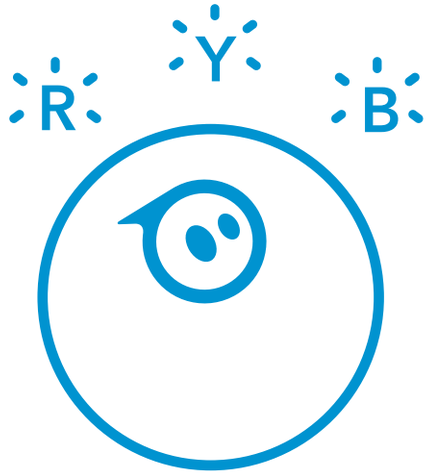
5



Double tap with your fingers to wake.

6

Sphero blinks 3 unique colors until paired.



Once you connect Sphero to your device it will automatically reconnect each time you play.

Sphero's Bluetooth name will contain the initials of the 3 unique colors it is blinking.

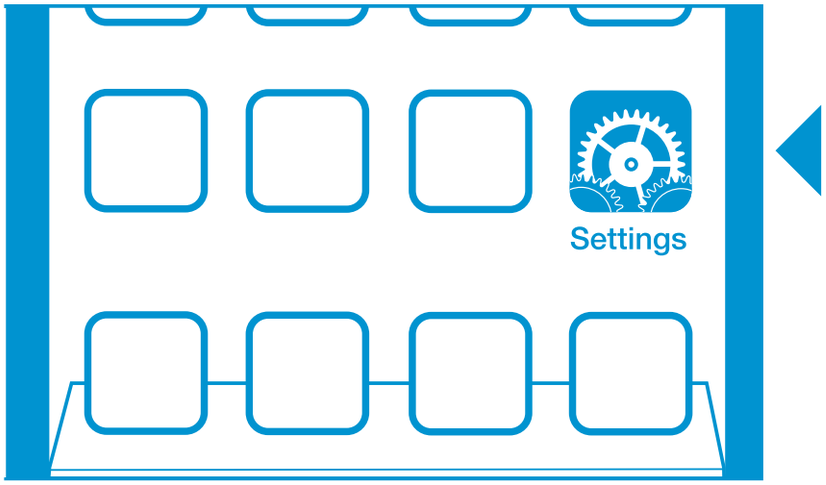
R= Red	O= Orange
B= Blue	P= Purple
G= Green	W= White
Y= Yellow	

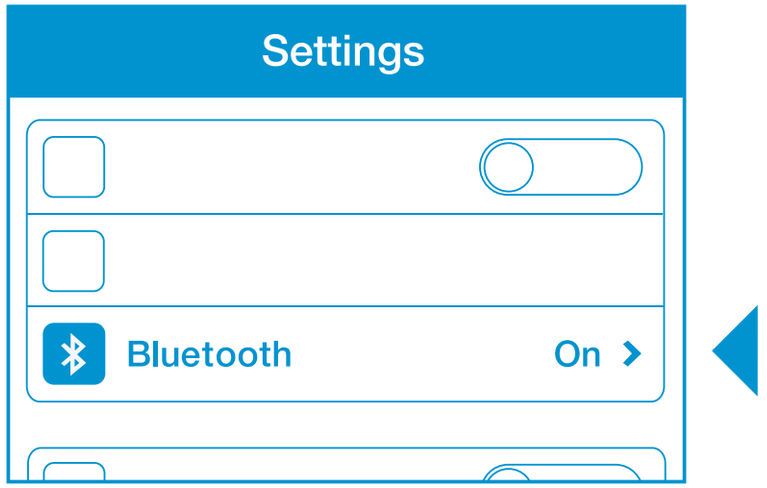
You will know that Sphero is connected when it turns white.

Bluetooth Setup iOS

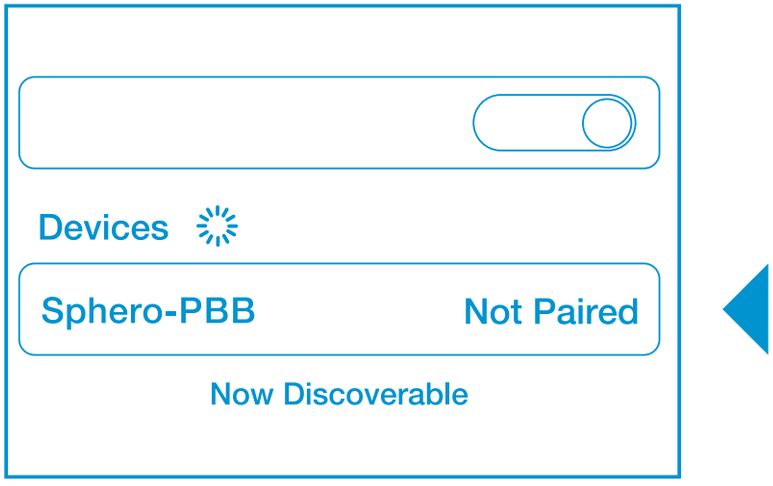
Apple Device

7





8

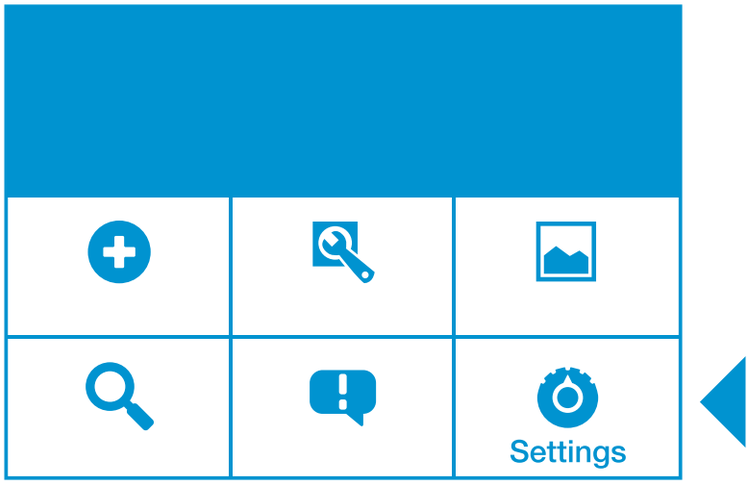


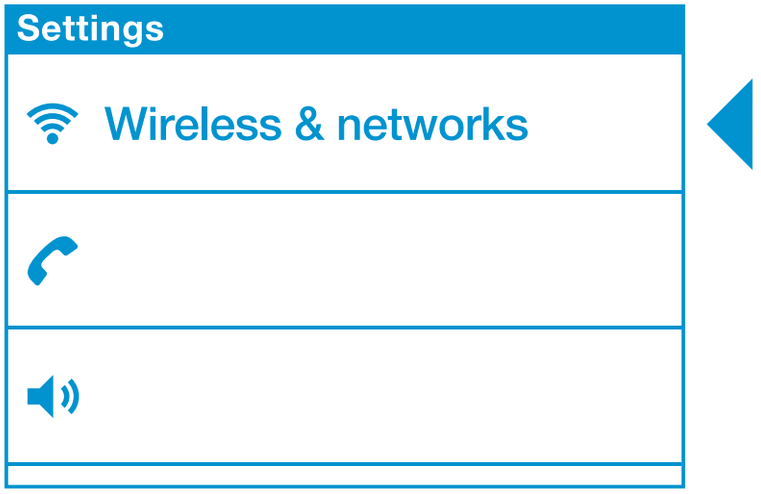
Sphero may show as “Misc” until paired.

Bluetooth Setup

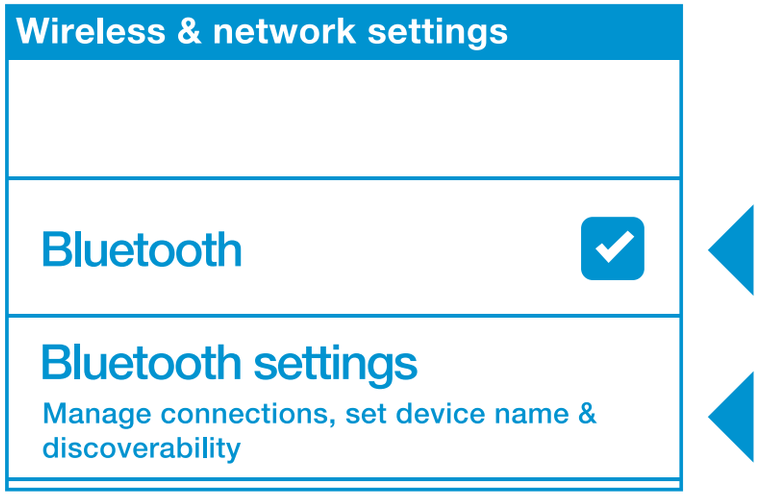
Android Device

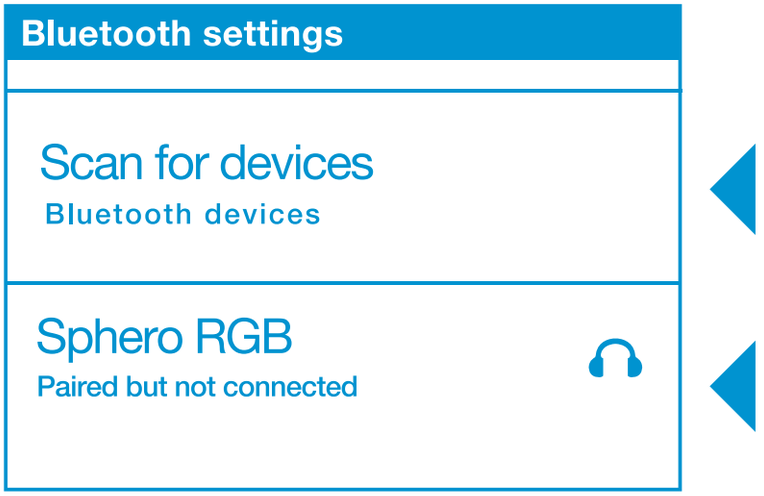
7





8





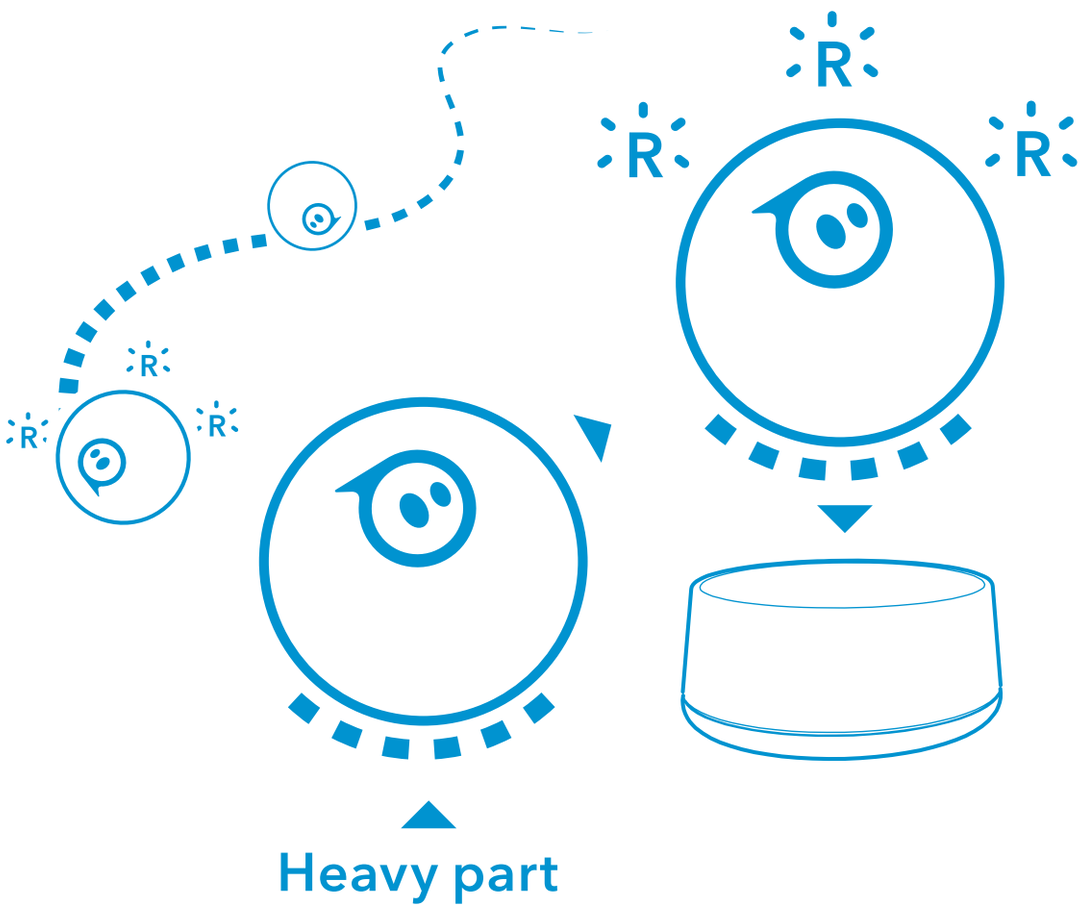
Sphero may show as “Unknown Device” until paired.
Once paired it will display “Paired but not connected.”

9 Launch App and Play!

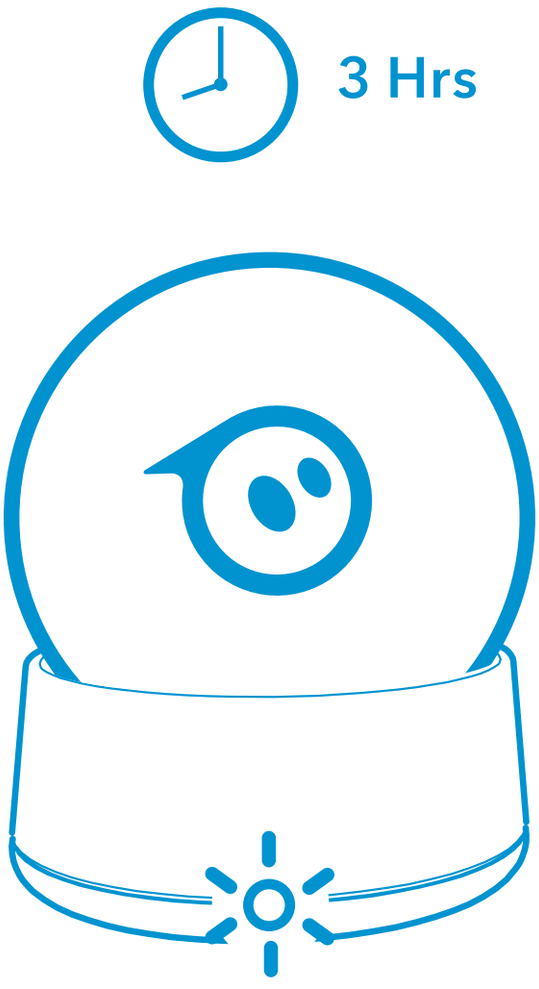
- Never drop your Sphero on a hard surface or drive off a ledge higher than 18".
- Not designed for chewing, throwing, or aggressive play.
- Charging should be performed by an adult.

Charging + Info

Flashing red means it is time to charge.



Heavy part

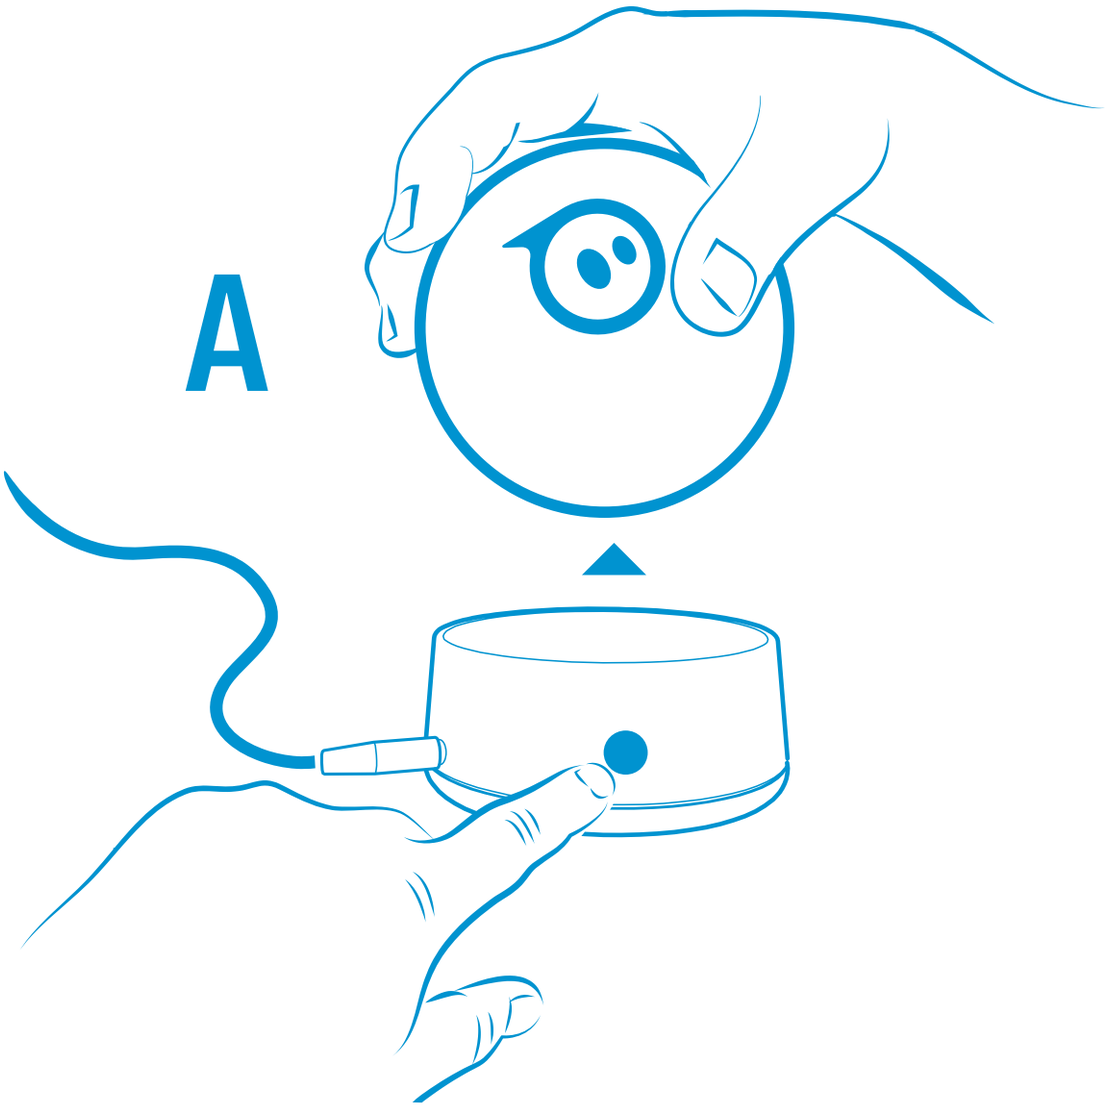


Complete when solid blue.

TIP:

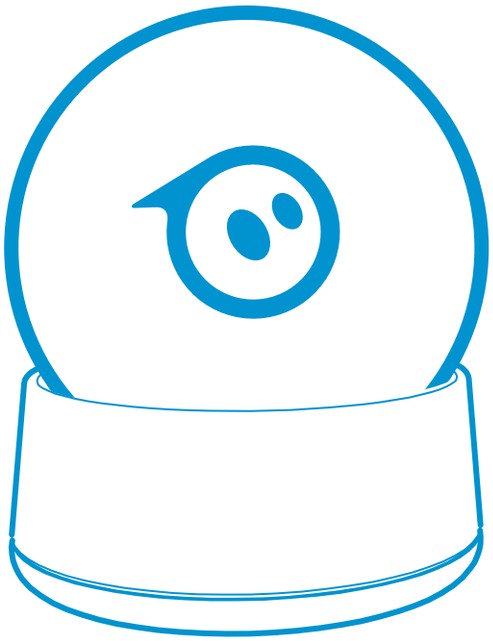
The charger is equipped with a reset button.
Use it to reset Sphero or to power down for travel.

A



Press and hold reset button as you remove Sphero from the charger.

B



To turn Sphero back on, place back in charger and return to step 4.

Sphero Product Info

Sphero User Guide Go to www.gosphero.com/manuals. The explanations provided in this guide are for information purposes only and may be modified. The latest version of this guide can be found at www.gosphero.com/manuals

Safety and Handling See "Safety and Handling Information" in the Sphero User Guide. To avoid injury or harm, please read all safety information and operating instructions before you or your child use Sphero. To reduce the risk of damage or injury, do not attempt to remove Sphero's shell. Do not attempt to service Sphero yourself; please refer all non-routine servicing questions to Orbotix.

Health Considerations See "Health Considerations" in the Sphero User Guide.

Batteries The lithium polymer batteries in Sphero can be hazardous if mishandled. Please see "Batteries" in the Sphero User Guide for important usage information. Note that discarding Sphero and its batteries in your general household waste can be harmful to the environment. For further information on disposing of Sphero, contact your local solid waste authority.

Orbotix One Year Limited Warranty Summary This Sphero product, as supplied and distributed by Orbotix, Inc., and delivered new, in the original carton to the original customer purchaser, is warranted by Orbotix, Inc. against manufacturing defects in materials and workmanship for a period of 1 year. Full terms can be found in the Sphero User Guide; see "Warranty Information".

Regulatory This device complies with CE, FCC, and VCCI requirements. See "Regulatory" in the Sphero User Guide for more details.

Apple "Made for iPod," "Made for iPhone," and "Made for iPad" mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, or iPad may affect wireless performance. iPad, iPhone and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries.

Bluetooth The Bluetooth wordmark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Orbotix, Inc. is under license.
